**MAY 1**

### WHAT IS 1 DAY 4 ONE

On May 1, 2012 practitioners from around the world will donate their proceeds (minus expenses) from that day to The ONE Research Foundation.

### WHY YOU SHOULD PARTICIPATE

Your participation is needed because scientific research:

- validates BioPsychoSocial Model/Neuro Emotional Technique within the healing arts and medical communities;
- supports the work of practitioners;
- improves patient access to these techniques.

### WHAT YOU GET

When you agree to become a part of this annual worldwide movement, you will receive the following support from ONE's office:

- Poster with stand for your reception area letting your patients know of your support
- Tri-fold brochures to give to your patients
- A logo tailored work shirt to wear that day
- Press release to a local media venue of your choice
- Your practice listed on our website
